We will be running a photography competition throughout the summer with the theme "Arun's Rambling River". We invite everyone to take part and photograph their favourite view of the river from on high or ground level, bustling with activity or quiet and peaceful. Results will be displayed in our lovely new exhibition setting in the Viewing Tower of the Look and Sea Centre and prizes will be awarded.

For full details of entry conditions, including mounting and size requirements for exhibition, please contact Sue Oldfield (07929 504661 or sue@lookandsea.co.uk) or telephone 01903 718984.
